William R Seagraves : Be Your Best Boss: Reinvent Yourself from Employee to Entrepreneur before purchasing it in order to gauge whether or not it would be worth my time, and all praised Be Your Best Boss: Reinvent Yourself from Employee to Entrepreneur:

1 of 1 people found the following review helpful. Except for focus on 401k plans, book is greatBy L. NgI found the book to be a great primer on entrepreneurship. My only complaint was the emphasis on the ROBS 401k method of financing, which is something that could be disallowed at any time by the IRS. Other than that, great book!0 of 4 people found the following review helpful. A worthless ragBy Christina HenningThis book did not provide the details or depth that anyone who is serious about a business startup needs to know. It is vague and disingenuous, the author even promotes his own method for financing. Total waste of time and money.4 of 4 people found the following review

helpful. Being an Owner of my own business I was surprised ...By C Howey
Being an Owner of my own business I was surprised on how valuable and eye opening this book is. I wish I had had William around when I had started my business. This is a valuable resource for anyone looking to break from corporate America. Be Your Best Boss: Reinvent Yourself from Employee to Entrepreneur

A guide to help make the most of your mid-career entrepreneurial pursuits...whether they were originally planned for or not. Employee to Entrepreneur is the book to help entrepreneurially minded professionals seize the opportunity offered by the current economic environment to begin a "second act" in their careers. This complete guide explores the full range of questions and concerns voiced by mid-career entrepreneurs, including: how to get started after a lifetime of having other bosses, risks and rewards of making the entrepreneurial leap, and the drawbacks to starting a business under the constraints of traditional start-up costs. Aspiring entrepreneurs will learn to:

- Recognize why the right business fit is so important.
- Understand the impact that proper funding can have on the future success of a business.
- Assess the financial risks and potential rewards of funding their business using a self-directed 401(k).
- Avoid common mistakes by learning through the experiences of others.
- Gain the needed confidence to act on making their dreams a reality.

William Seagraves, a seasoned and serial entrepreneur himself, carefully deconstructs each part of the process so that the reader is able to honestly evaluate first themselves and second the unique mid-career business opportunity at hand. The book includes wide-ranging advice from a financial professional who has helped hundreds of clients navigate the tricky waters of this mid-career change. This book will be the go-to resource for the rapidly growing number of mid-career entrepreneurs. From the Trade Paperback edition.

About the Author WILLIAM R. SEAGRAVES specializes in helping aspiring business owners make the leap from the restraints of corporate America to discover the freedom that small business and franchise ownership can provide. With more than twenty years of experience as an entrepreneur and financial funding guru, he is expertly positioned to offer sound advice that has seen hundreds of small business owners not only succeed but flourish during the midlife entrepreneur stage of their lives. Seagraves's company Catchfire Funding specializes in sharing information about wealth building with funding and financing strategies and educating clients on the best practices for building their own businesses.
