Matthew J. DeLuca, Nanette F. DeLuca : Best Answers to the 201 Most Frequently Asked Interview Questions, Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Answers to the 201 Most Frequently Asked Interview Questions, Second Edition:

0 of 0 people found the following review helpful. Good for those with previous experienceBy Kindle CustomerI used this to practice for an interview for an internship. The questions were generally good, and the explanations of what

kind of answers to go for were always good. The problem for me was that this was clearly written for someone with past experience, which does not describe me. I'd recommend this book if you've held jobs before, but if you're interviewing for your first or second job, there are probably a lot of books out there better suited to you. 4 of 4 people found the following review helpful. It's a sad fact that most interviewers don't really have a clue ...By FedoradudeIt's a sad fact that most interviewers don't really have a clue about what is or is not an effective interview question or style of interviewing. This book is a valuable reference for anyone who is even remotely in the job market as it gives you pleasant and effective answers to both the pointless questions interviewers love to ask to fill time as well as the good ones. 0 of 0 people found the following review helpful. Good readBy Tater-totsA recruiter recommended this book to me and it's great! Just the list of interview questions was worth it though there's a lot more info in there. Loaned it to my dad and never got it back...he must have liked it too. :p
