Michael Cowley, Ellen Domb : Beyond Strategic Vision before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Strategic Vision:

0 of 0 people found the following review helpful. Beyond goes Beyond TheoryBy Karen L. Jett, CMAThis book is not for the faint of heart...you must really be into strategic planning and the hoshin method to enjoy it.For those who fit this profile, it provides an in depth description of how the hoshin method of strategic planning works. I especially appreciate that it includes theory, examples, how-to information, and detailed tools descriptions.Karen L. Jett, CMA, Author Grow Your People, Grow Your Business0 of 0 people found the following review helpful. hoshin describedBy amajutThe figures and tables on the kindle are sometimes impossible to read. You might be better off with a hardcover

book. This book was written in the 90's so be ready to read about overhead projectors. While the technology is a bit outdated in this book, the hoshin process still applies to industries today. Overall a good read. 0 of 0 people found the following review helpful. a great basic understanding of Hoshin Planning By Morgan Required reading for my sales team! We are implementing the process at Regional Manager level to develop processes that allow us to stay focused on what matters.
