**Carole Martin : Boost Your Interview IQ 2/E** before purchasing it in order to gage whether or not it would be worth my time, and all praised Boost Your Interview IQ 2/E:

3 of 3 people found the following review helpful. InformativeBy M. GreenI love the examples along with the explanations given. It helps the interviewee better understand the interviewer's perspective. It is a good book to reference for those who needs to brush up on his or her interviewing skills.0 of 0 people found the following review

helpful. #1 Interview Book AvailableBy castrongI have used multiple interview-prep books over the span of more than a decade. This is my go-to book for preparing for an interview. I have coached multiple people on their careers. This book has been used to ace interviews for multiple 6-figure positions in the last few years.0 of 0 people found the following review helpful. This book had a lot of examples, but some ...By spaneeThis book had a lot of examples, but some of them seemed to be for more junior level positions. I ended up using an online course to prepare for interviews that was much more specific to my mid-level position.

The ultimate guide to acing any interview mdash; revised and updated to give you the edge in today's competitive job market Job interviews aren't discussions; they're oral examsmdash;and the candidate with all the right answers gets the job. Boost Your Interview IQ, Second Edition, helps you ace that big test with skill-building exercises, an in-depth "Interview IQ" test, and other resources to let you craft winning answers to the most important questions interviewers ask. In these pages, you'll discover ways to present your experiences in a compelling narrative that showcases your skills, knowledge, and personalitymdash;and you'll learn the right way to answer tricky "behavioral" questions like a pro. Plus you'll get interview strategies custom tailored to the needs of management/executive-level candidates, new graduates, career changers, and people reentering the market. In today's tough job market, the best-prepared candidate winsmdash;and in this economy you're going to need every advantage to set you apart from the pack. Boost Your Interview IQ is the book that delivers the right tools to do the job of GETTING the job.
