Excellent guide for first timersBy AngelaI purchased this book for my son who will be graduating from college this year. It provides good information mock interview questions answers rating the responses as good,better,best. This is great for those new to the job market. With jobs at an all time low it is even more important to excel during your interview!!!0 of 0 people found the following review helpful. A must have if you want a high paying jobBy momI love, love this book. It is a great tool before job interviews. Every job I have interviewed for, since purchasing this book, I have received an offer from and my wife too. I just wish they would come out with a 2010/landing a job during a ression version that I can gift to others, since my and my wife have a job thanks to this book. But I would still get a the new book and read it. you never know...
