before purchasing it in order to gage whether or not it would be worth my time, and all praised Brilliant Personal

Finances: How to make money work for your life (Brilliant Lifeskills):

What does it take to get your finances under control? It's virtually impossible to live without money yet far too often bad money management causes anxiety and stress. Clearing debts and managing your money successfully isn't complicated, but the biggest difficulty is fear and a lack of confidence. Brilliant Personal Finances gives you the confidence you need to make sensible financial decisions and plan for the future. It explains the jargon and the process of money institutions, credit cards and investments and advises on the best way to save money. Brilliant Personal Finances will show you how you can develop money management habits that help you get the most out of your money. This book will be your very own personal finance workshop to ensure you stay in control of your cash. Brilliant Outcomes Take complete control of your everyday finances Understand the jargon and process of financial institutions Save money and plan your financial future
