From Routledge : Britain's Failure to Enter the European Community, 1961-63: The Enlargement Negotiations and Crises in European, Atlantic and Commonwealth Relations before purchasing it in order to gauge whether or not it would be worth my time, and all praised Britain's Failure to Enter the European Community, 1961-63: The Enlargement Negotiations and Crises in European, Atlantic and Commonwealth Relations:

0 of 0 people found the following review helpful. A Superb BookBy Mr RibbityMost informative and well written, the editor is to be congratulated for compiling this interesting collection.

The essays collected here outline a number of factors which made the EC too young to be able to assimilate Britain's important interests, and the British over-optimistic in their approach to negotiations with the Community. The role of conflict over Western strategy and European political union in the breakdown of the negotiations is re-assessed, and the negotiations over agriculture and the Commonwealth are revealed in an entirely new light.
