Charles R. Stoner, Jason S. Stoner : Building Leaders: Paving the Path for Emerging Leaders before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Leaders: Paving the Path for Emerging Leaders:

0 of 0 people found the following review helpful. Four StarsBy CustomerUsed for class. Practical application with lessons through testimonials

This book is written for emerging leaders. It is designed to help these leaders bridge the gap from stepping into a position of leadership and emerging as a confident and respected difference-maker. Within this text, award-winning scholar and leader-coach Charles Stoner meets emerging leaders where they are and focus on the issues that are most problematic for them. From the development of leadership skills to the practice and application of successful strategies, Stoner offers tools, ideas, and evidence-based advice to these up-and-coming leaders in an

indispensable text that is direct, pragmatic, and action-oriented. Major topics include: Recognition, development, and practice of organizational leadership skills. Enhancing interpersonal dynamics and relationships. Organizational politics and interpersonal influence, creativity and innovation, negotiation and conflict resolution. Handling problem situations; effectively utilizing diverse talents and personalities. Introduction to major leadership and interpersonal development techniques. Case studies.
