**From Palgrave Macmillan : Business and Education in the Middle East** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business and Education in the Middle East:

Business and Education in the Middle East brings together academic and business expertise in order to come up with long-term strategies that will have a great effect on the university performance and governance. The book shares experiences and knowledge to explore innovative strategies and plans with a new perspective for the future.

About the AuthorNehme Azoury is Professor and Dean of the Faculty of Business and Commercial Sciences at Holy Spirit University of Kaslik, Lebanon, where he teaches Strategic Management and Corporate Governance courses. He is Secretary General of the Arab Society of Faculties of Business Administration (affiliated to the Association of Arab Universities and founded by the Arab League) and is one of the eight members of the scientific committee of Eduniversal, as a representative of the Eurasian region. He has been Associate and Visiting Professor at various internationally respected universities, including Pantheacute;on-Assas (Paris II), Euromed-Marseille, La Rochelle, Lyon 3, HEC Montreacute;al, and the George Washington University, USA, which presented him with an appreciation award for Active Contribution to the Education of MSF Students. He is the author of several publications and editor-in-chief of the Arab Economic Business Journal and the Lebanese Journal of Economics and Management. He is currently Managing Partner at Widein, a consultancy firm based in Lebanon.
