From Palgrave Macmillan : **Business and Management Practices in Greece: A Comparative Context** before purchasing it in order to gage whether or not it would be worth my time, and all praised Business and Management Practices in Greece: A Comparative Context:

A comprehensive picture of the Greek business system and management practices placed in a comparative context. The editors bring together knowledge from contemporary research in a comprehensive, analytical and comparative way that enables readers to see the Greek system in a holistic way.

About the Author REA PROUSKA is Senior Lecturer in Human Resource Management at Middlesex University Business School, UK. She holds a PhD from Manchester Business School, UK and specialises in outsourcing HR activities. Her research interests are in HRM, HR outsourcing/offshoring, graduate employability and gender.
