Bob Dhillon, Fred Langan : Business and Retirement Guide to Belize: The Last Virgin Paradise before purchasing it in order to gage whether or not it would be worth my time, and all praised Business and Retirement Guide to Belize: The Last Virgin Paradise:

0 of 0 people found the following review helpful. make sure you call aheadBy Holly R.I was good but things have change0 of 1 people found the following review helpful. A very good book on Belize.By ALLEN STRICKLANDI thought this book offered a lot information for people wanting to learn more about some of the workings of Belize. You can tell that the author has a vast knowledge of Belize.0 of 1 people found the following review helpful. Book is

as advertised By Me I am just starting my research into Belize. This book put me on the right path. Needs better maps and graphics

Belize is an English-speaking tropical paradise with an azure Caribbean coast and an affordable cost-of-living. This book is an introduction to living, working, and retiring in Belize, as well as owning property there. Bob Dhillon introduces the reader to the country, its friendly people, and its economic attractions.

From the Inside Flap Belize is an English-speaking tropical paradise with an azure Caribbean coast and an affordable cost-of-living. This book is an introduction to living, working, and retiring in Belize, as well as owning property there. Bob Dhillon introduces the reader to the country, its friendly people, and its economic attractions. About the Author Bob Dhillon is a dynamic real estate entrepreneur. He is the founder and largest shareholder of Mainstreet Equity which owns almost 11,000 apartment units in Western Canada. His 2,700 acre island in Belize is developing into a world-class tourist resort. Bob has an MBA from the University of Western Ontario and in 2017 received an honorary doctorate from Lakehead University. Fred Langan is a writer and journalist, and was host of the CBC nightly Business News. He wrote for the Economist, the Daily Telegraph and the Christian Science Monitor and still writes for the Globe and Mail. He has published two novels and co-written eight books. He splits his time between Toronto and Knowlton, Quebec.
