Tom Lloyd : Business at a Crossroads: The Crisis of Corporate Leadership before purchasing it in order to gage whether or not it would be worth my time, and all praised Business at a Crossroads: The Crisis of Corporate Leadership:

Recent events suggest liberal capitalism harbours two dangerous seeds of self-destruction; growing inequality and a tendency for markets to spiral out of control. This book advocates the restoration to an earlier state of another sub-

system of liberal capitalism, some of the features of which lie at the heart of liberal capitalism's malaise.

"Tom Lloyd provides a sparkling explosion of shibboleths and myths about the corporate sector in the course of a coruscating attack on excessive executive remuneration." - John Kay, economist and author of *The Long and the Short of It*
