A. C. Fernando : Business Ethics and Corporate Governance before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Ethics and Corporate Governance:

Business Ethics and Corporate Governance offers readers a comprehensive coverage of the theories of business ethics and corporate governance. It emphasizes the importance of ethical principles in overcoming ethical dilemmas in the highly dynamic business world of today. It also provides a detailed explanation of the corporate governance mechanism, its constituents and its implementation in India and abroad. Numerous real-life examples and case studies provide a better understanding of real-life business practices.
