Scott P. Mondore, Shane S. Douthitt, Marisa A. Carson : Business-Focused HR: 11 Processes to Drive Results
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business-Focused HR: 11 Processes to Drive Results:

1 of 1 people found the following review helpful. Focused for Sure! By kbex This book was for a college class. It is packed with pertinent information for sure, and the title does not lie. I had to work hard to get that A, but the Professor did get his salient points directly from this edition. The way the authors packed so much info into such a small volume is great. I don't like reading a bunch of fluff anyway, and this Business HR book gets right to the point of each and

every topic. It has already proven worthy of retaining shelf space in my ever-growing library of reference goodies! 0 of 0 people found the following review helpful. Five Stars By Lisa Y. Godwin Very helpful outline of processes 0 of 0 people found the following review helpful. Five Stars By Renya Davoodian Great!

From employee selection to multirater feedback, this step-by-step guide provides the latest in best practices to effectively implement various human resources (HR) processes in organizations of all sizes. From launch to ongoing business outcome analysis, this recordmdash;written by business analytics expertsmdash;discusses 11 core HR processes and offers practical tips for successful execution. Intended for HR generalists and managers, this invaluable manual delves into numerous topics, including leadership development, diversity, and job design.
