Unlike many other books etc. it is easy to follow and apply.As an added bonus... I was able to reach and communicate with the author. Bryan is very well spoken and has a vast knowledge base. Above all else he was very cool!!0 of 0 people found the following review helpful. The Official Resource on Property Management!By Nathan JohnsonLast year, my goal was to start investing in rental property. Bryan's book makes the whole process from acquiring the property to managing easy to understand and follow. Double bonus that I was able to set up a coaching call with Bryan after reading the book. If you're in the process of renting your home or buying rental property, this is a must read!2 of 3 people found the following review

Now updated for today's bullish real estate market, this is the go-to, classic entrepreneurial guide for landlords and real estate investors who want to buy and manage rental properties for long-term wealth. There's never been a better time for buying rental properties—interest rates are low and credit is more freely available to those who want to buy and invest. But where does one begin? With more than twenty plus years of experience in real estate and as the founder of The Landlord Property Management Academy, Bryan M. Chavis knows all phases and aspects of working with rental properties. In *Buy It, Rent It, Profit!* he explains why rental properties are such a wise investment in today's real estate world and outlines the steps and systems you need to implement to become a successful landlord and property manager. This updated edition of the modern classic includes advice on being a profitable and professional landlord, protecting your investment, learning what types of property you should be purchasing, and adapting to the ever-changing world of technology in real estate. Chavis also provides systems on how to attract quality tenants, negotiate lease agreements, collect rent, finance a mortgage, and manage the property overall—everything you need to become a smart, profitable, and professional property manager. In addition, this updated edition features a workbook section with easy-to-use, universal forms for leases, evictions, property evaluations, and more. *Buy It, Rent It, Profit!* is the ultimate how-to procedures manual for buying and managing rental properties and a practical, realistic tool you can follow to become a profitable landlord and property manager.
