Anant Kumar Dass : Campus Group Discussion with Smart Answers: Third Eye of HR Managers before purchasing it in order to gage whether or not it would be worth my time, and all praised Campus Group Discussion with Smart Answers: Third Eye of HR Managers:

This book is exclusively written for students of undergraduate/postgraduate level, studying in India and abroad either through regular or distance mode, part time or by correspondence. It is equally helpful for those students who will be appearing for any type of MNC's job, either for government or private companies, and is also essentially important for the students, appearing for admission in any top colleges or institutions of B.E./B.Tech./MCA/MBA/PGDM courses in India wherein Group Discussion (GD) is the main hurdle for their smooth entry. The book, Campus Group Discussion with Smart Answer is an outgrowth of the author's wide teaching and training experience and interactions with students, teachers, executives and faculty of engineering, commerce and management institutions. It is based on the following simple but success rules as to educate; never discourage; motivate; direct; inspire; ignite, and develop team. Other features of the book include emphasis on clarity and down-to-earth style. All the topics are supported by live examples, such as "tips, tricks and techniques" for the easy understanding of students and teachers.
