**George S. Cuhaj, Thomas Michael : Canadian Coin Digest** before purchasing it in order to gage whether or not it would be worth my time, and all praised Canadian Coin Digest:

0 of 0 people found the following review helpful. Three StarsBy Edward J. LeClairIt's OK but not as good as the Charlton books0 of 0 people found the following review helpful. just as described - perfect for the collectorBy Donald M. Doehlajust as described - perfect for the collector0 of 0 people found the following review helpful. Must have for

Canadian numismatists By HBGuy Clearly written and well illustrated. Must have for Canadian numismatists.

Coins of Canada Featuring more than 150 years of coins, pricing in up to six grades, and the authoritative voice of the most trusted name in numismatics, the second edition of Canadian Coin Digest offers a grand overview of the coins of Canada while providing the greatest value of any guide on the market. Canadian Coin Digest features: More than 1,200 images Tens of thousands of accurate price listings New issues from the Royal Canadian Mint Accurate mintage figures KM identification numbers Detailed descriptions Count on the numismatic experts at Krause Publications to bring you a complete, economical, and accurate guide to Canadian coins.

About the Author George Cuhaj is a collector with a passion for this hobby, as well as a former cataloger for both Stack's Auction House in New York and the American Numismatic Society. He offers a wealth of knowledge to the Krause Publications line. Thomas Michael has performed in-depth price analysis for the KP numismatic book line for nearly 21 years. He travels worldwide to connect his network of collectors and dealers and to create the most accurate database of world coin market values.
