Whether your career aspirations lie in banking, financial planning, the mutual fund industry or a brokerage, you can't avoid taking the Canadian Securities Exam. But there's a lot of material to know for the day of the examination, and it can be a daunting task to assimilate such a wide body of knowledge. The Wiley Canadian Securities Exam Fast-Track Study Guide is a quick-review tool that covers all the basics you need to know to pass the exam. It presents "quick hits" of the key points you need to know, in language that's easy to understand and follow. This concise study aid: summarizes the essential, "need-to-know" information highlights important topics features multiple choice review questions at the end of each chapter makes material easy to read, understand and remember includes two practice exams and double the number of review questions in the last edition This edition has been completely updated and revised to reflect recent changes to the course and the exams. It features updates throughout, new questions and new

practice exams, and it has been restructured for ease of use and comprehension. Don't let the stress and amount of material you need to know for the exam overwhelm you. Prepare yourself with the Wiley Canadian Securities Exam Fast-Track Study Guide. It's the perfect quick-review tool to wrap up your studying and help you focus on doing your best on the exam.
