Larry Cochran : Career Counseling: A Narrative Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Career Counseling: A Narrative Approach:

0 of 0 people found the following review helpful. Great book, great info, from the master of the Narrative ApproachBy Idaho1028The authority on career counseling through the lens of the Narrative Approach. I had to write a paper for graduate school and this book provided me with all of the information I needed.0 of 0 people found the following review helpful. A seminal bookBy parandcoCochran book on Narrative Career Counselling is seminal and a very important addition and contribution to the field of career counseling when constructivism was young and just starting the infancy age in the field of career development, guidance and counselling.1 of 2 people found the following review

helpful. Succinct and to the Point By Mid-Centurian Career Counseling: A Narrative Approach is a good survey of applying Narrative Therapy to every day career counseling. This book can either be condemned for it's brevity or lauded for coming to the point without over-explaining and micro-managing the subject. This book is best read and understood by counselors who have at least some professional experience and are working in the field of career counseling.

`This book should be viewed as essential reading for anyone interested in developing their understanding of the field of career counselling and developing their own approach. Practitioners will find much they might want to consider incorporating into their own work' - British Journal of Guidance and Counselling` As a career counsellor working with clients of all ages and situations, I found Larry Cochran's new work both pragmatic and intellectually stimulating... [he] provides fresh insight into the essence of career counselling, examining the past to be able to understand the present in order to plan for the future. Written in an accessible style... this book is certainly something which encourages further re
