Information Age Publishing : Career Development in Higher Education (Issues in Career Development) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Career Development in Higher Education (Issues in Career Development):

The purpose of Career Development in Higher Education is to provide a broad and in-depth look at the field of career

development as it applies to individuals involved in higher education activities, in a variety of educational and vocational training settings. The book will examine some of the field's major themes, approaches and assumptions using the writings of a variety of regional and international experts/authors. Specific emphasis is spent examining issues reflective of today's challenges in developing and maintaining a workforce that is diverse, flexible and efficient. Readers will be provided with an action based framework built on the best available research information.
