**Dale Mayer : Career Essentials: The Cover Letter** before purchasing it in order to gage whether or not it would be worth my time, and all praised Career Essentials: The Cover Letter:

3 of 3 people found the following review helpful. Just in timeBy LoracI need to get a job after a break in my professional career. How to update, and make new and relevant, a rather staid and boring resume was a challenge. Finding this book was simply miraculous. It gave me clues of what mistakes NOT to make and how to present my CV in an eye-opening manner.The icing on the cake was getting it free..... Thank you Dale Meyer and / Kindle0 of 0 people found the following review helpful. More of the sameBy mcmahonashleyIt is ok but is basically just a look at resume content and format with none being particularly different from what is in many other books. If you are new to

the whole resume concept it may be helpful but if you have experience the resume and job search process, not so much. In many ways just too repetitive. I had the Kindle version and for some reason every few chapters you would encounter all of this formatting info (header, margin, indent, etc) and then the next page would move you back two or three paragraphs. Very frustrating! 0 of 0 people found the following review helpful. No Useful Advice from the Author's Own Experience By Teruo Arai The book only explains about resume. For readers, we need to hear how actual employers think about resume and what's solution to address such concern from the employers.

Today's economy leaves little room for second chances in the job market. Hiring managers are swamped with applications. What are you doing to rise to the top of the pile and get noticed? If it isn't creating a cover letter driven by facts and filled with punch, you aren't doing enough. The cover letter is often overlooked as a key marketing tool — the perfect introduction. It can be blank and uninteresting or it can offer the potential employer exactly what they are seeking. Don't overlook this simple step that can improve your chances over other candidates. This book walks you through the various elements of a good cover letter, taking you through each step with plenty of examples to show exactly what you need to know to create the best cover letter over and over again. Make yours the one that brings the light of relief into the recruiter's eye as they see the perfect candidate. At just over a hundred pages, this concise, easy to read guide is full of professional information that will make your job search take off.
