B. P. Menon : Global Dialogue: The New International Economic Order (Pergamon international library of science, technology, engineering, and social studies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Global Dialogue: The New International Economic Order (Pergamon international

library of science, technology, engineering, and social studies):

Global Dialogue: The New International Economic Order discusses the world's economic landscape, including international meetings, declarations, conventions, plans, and programs that aim for international economic order. The topics elaborated in this book include the economic scene; Seventh Special Session; United Nations Conference on Trade And Development—UNCTAD IV; Paris Talks; and GATT multilateral trade negotiations. The World Employment Conference; Habitat: The Conference on Human Settlements; State of the Environment; Law of the Sea; and new dimensions for the United Nations Development Program (UNDP) are also deliberated. This book is beneficial to students and economists intending to acquire knowledge of the world's economy.
