Jonathan Curry-Machado : Global Histories, Imperial Commodities, Local Interactions (Cambridge Imperial and Post-Colonial Studies Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Global Histories, Imperial Commodities, Local Interactions (Cambridge Imperial and Post-Colonial

Studies Series):

The papers presented in this collection offer a wide range of cases, from Asia, Africa and the Americas, and broadly cover the last two centuries, in which commodities have led to the consolidation of a globalised economy and society – forging this out of distinctive local experiences of cultivation and production, and regional circuits of trade.
