Joyce Osland, Allan Bird, Gary R. Oddou, Martha L Maznevski, Michael Stevens, Guuml;nter K. Stahl : **Global Leadership 2e: Research, Practice, and Development (Global HRM)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Global Leadership 2e: Research, Practice, and Development (Global HRM):

3 of 3 people found the following review helpful. cutting edgeBy M. FieldsI purchased this book for a doctoral class and now it is my go to book. I have now used it in my classes that I teach at the University of Indianapolis and at Indiana University Purdue University Indianapolis (IUPUI). For anyone interested in leadership, globalization or international management this is a must have. This is a historical overview of global leadership as an academic field

and really gets to the point. For the next edition I hope the authors expand to look at the future of global leadership and address such topics as global leadership development in more depth. This reads well and is a wealth of knowledge on global leadership. The referenced articles provide a great reading list for more knowledge on global leadership. Michael Fields MBA 0 of 0 people found the following review helpful. Three Stars By David J. Wateska didn't use it as I thought 0 of 0 people found the following review helpful. Great foundation for global leadership By Pamela The book helps to create a construct for global leadership while incorporating many schools of thought. Each chapter provided great insight into global leadership. As a graduate student I found the book an easy to follow scholarly piece of literature.

Global leadership has been frequently heralded by writers and executives as the key to sustained competitive advantage on the part of organizations. In addition, it is clear that the possession of leadership qualities and the display of leader behavior are requirements for individuals attempting to progress in their careers. It is important for aspiring managers to learn about the nature of effective global leadership and how they can develop their own competencies in this area. This textbook provides an important overview of this key emerging area within business and management. Offering a view into the nature of global leadership and the competencies necessary for aspiring managers to succeed, Global Leadership is essential reading for students of leadership, organizational theory, strategic management, human resource management, and for anyone working and managing in the global arena. Now in its second edition, it draws from recent research to both contemporize timeless topics and address today's relevant topics, from corporate social responsibility, to cultural competencies, to current technology.

All leadership today is global, but all leadership certain is not as effective. This highly impressive team of authors has brought together an important and timely integration of the global leadership literature that will help all of us to better understand the wide range of leadership approaches that will define the 21st century. Nancy J. Adler S. Bronfman Chair of Management McGill University, Montreal, Canada Author, "Leadership Insight" (Routledge) Global Leadership provides the best comprehensive overview available on this subject. To understand the history, breadth, and practical implications of research on global leadership, there is no better source. The authors are leading scholars who cover a range of relevant issues in a format that is accessible to a wide audience. Thank you for this new contribution to our knowledge about a topic so important to our global future! Ernest Gundling President, Aperian Global Co-author, "What is Global Leadership?"
