Gerard F Adams : Globalization; Today and Tomorrow before purchasing it in order to gage whether or not it would be worth my time, and all praised Globalization; Today and Tomorrow:

This book seeks to examine the basis of economic globalization, yesterday, today, and tomorrow, and to link the outcome of globalization into the context of the new economic geography. It shows how the phenomenon is exhibited in the light of current events, providing a good way to keep understand today's world economy.

About the Author F. Gerard Adams was Professor Emeritus at the University of Pennsylvania, and also previously worked as McDonald Professor in the College of Business Administration at Northeastern University. He enjoyed a long and distinguished career, sadly passing away in January 2011, shortly after the completion of this book.
