W. Nester : Globalization, Wealth, and Power in the Twenty-first Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Globalization, Wealth, and Power in the Twenty-first Century:

This book offers an in-depth exploration of all dimensions of geoeconomics, including the internal and international forces which explain why most countries remain mired in poverty; the conflicts between the poor on the rich countries; and the global environmental crises threatening the future of humanity.

About the Author WILLIAM R. NESTER is Professor of Government and Politics at St. John's University, USA.
