Julie DeGalan, Stephen Lambert : Great Jobs for Psychology Majors, 3rd ed. (Great Jobs Forhellip; Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Jobs for Psychology Majors, 3rd ed. (Great Jobs Forhellip; Series):

1 of 1 people found the following review helpful. I'd say it's worth it. By Ricky Thomas Yeah, it's alright. Some good info in here, but nothing that can't be found online. 0 of 0 people found the following review helpful. Four Stars By Richard W Dyer thank you 32 of 32 people found the following review helpful. Not what I thought By Susie Hansen I

was disappointed when the book arrived. I thought it was going to list different types of jobs that you could get with a bachelors or masters degree in psychology. Instead, it has an assessment that you take and then explains how to go on a job search. Not money well spent in my opinion.

Answers your question "What can I do with a major in psychology?" It isn't always obvious what your college major can offer to the workplace. Great Jobs for Psychology Majors helps you explore the possibilities your major creates and provides: Guidance on how to present a psychology major as a workplace asset during an interview A primer on how to conduct a job search Ways to use your major in the real world

From the Back Cover It's time to put your psychology major to work! You've worked hard for that psychology degree. Now what? Sometimes, the choice of careers can seem endless; the most difficult part of a job search is narrowing down your options. Great Jobs for Psychology Majors will help you choose the right career out of the myriad possibilities at your disposal. It provides detailed profiles of careers in your field along with the basic skills necessary to begin a focused job search. You'll soon be on the fast track to landing a job that satisfies your personal, professional, and practical needs. Great Jobs for Psychology Majors will help you: Determine the occupation that's best suited to you Craft a resume; and cover letter that stand out from the rest Discover the avenues to find the perfect job Learn from practicing professionals about everyday life on the job Become familiar with current statistics on salaries and trends within the profession Go from English major to: School counselor Case worker Music therapist Teacher Health-care representative Social worker Researcher Child-care worker Policy analyst About the Author Stephen Lambert is the director of Career Services at Plymouth State College in New Hampshire, where he counsels students and develops year-round career workshops. Julie DeGalan worked as administrator and career counselor at Plymouth State College, where she focused on career development programs for students.
