**Stephen Lambert : Great Jobs for Sociology Majors (Great Jobs for ... Majors (Paperback))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Jobs for Sociology Majors (Great Jobs for ... Majors (Paperback)):

0 of 0 people found the following review helpful. Very Practical and Helpful By Deb G Very practical and helpful. I often depend on others leaving honest reviews when I need to order a new item and wouldn't want to be misled, so strive for the same in leaving a review. [...] 6 of 6 people found the following review helpful. Title could use work By Melly0616 I figured this book would be about different jobs in Sociology. I was disappointed for the beginning. The first 30% of the book was about writing resumes, and searching for jobs. The rest of the book goes over the logical picks for Sociology majors, Teaching, Social work, Management and Research. I felt like I learned nothing new from it and wasted 10 bucks. You can find all this information on the internet. 2 of 2 people found the following review helpful. Excellent, Practical Book By IslandGirl Bought this for my Sociology Major daughter, especially since I had also been a Liberal Arts major graduating into a recession. I previewed this book, and thought it had excellent tips on punching up your resume to focus on your transferrable skills. Also great ideas on how to handle interviews. Seemed very well-organized, too.

It isn't always obvious what a college major can offer to the workplace. Great Jobs books help students and recent college graduates explore the possibilities in their majors and provide: Guidance on how to present a major as a workplace asset during an interview A primer for new college grads on how to conduct a job search Ways to use a college major in the real world

From the Back Cover The first step toward the rest of your life starts with that question, and the answer is right here. Get on the right path now for a satisfying and rewarding career in sociology by learning to match your skills and interests with exciting employment opportunities. Great Jobs for Sociology Majors will help you: Assess your strengths and interests Choose the ideal location Establish your standard of living Explore unusual career paths Identify the best employers Set a strategy for getting the job you want About the Author Stephen Lambert is the director of career services at Plymouth State College in New Hampshire where, in addition to counseling students and developing year-round career workshops, he serves as a representative to the New Hampshire College and University Council's Adviser's Committee. He developed this series with Julie DeGalan, a former administrator and career counselor at Plymouth State College.
