If you had to choose 5 books on facilitation, this should be one of them.By CustomerGood book on facilitation.0 of 0 people found the following review helpful. FacilitationBy HeartfireI am a facilitator. This book was used as a text/guide in a course to teach people just learning facilitation. It's just fine. Not really terrific or particularly poor but perfectly adequate.0 of 0 people found the following review helpful. Very useful!By Coleen M MaldonadoPractical tips and strategies that work. I will use this as an excellent reference when preparing for my next meeting.
