David Sturt : Great Work: How to Make a Difference People Love before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Work: How to Make a Difference People Love:

11 of 11 people found the following review helpful. Great Work is indeed a great work itself By JTI first thought this was going to be a "quick" read, but I was pleasantly surprised to see it was packed with information, well thought out, documented, and down to earth so that anyone could understand and gain form it's messages. I loved the stories of Josh and Tina, and the janitor who made a difference in the hospital. The life philosophies explained by clear real world examples are applicable to all aspects of life and work, and are well worth your time in this book. It's packed with facts and details. There is no fluff in this book! Glad I found it! 1 of 1 people found the following review helpful.

You just have to start it and shortly after you won't want to put it down! One of those books you read multiple times. By R. Bellessa Great read! I read it twice during two very different times in my life, and it is very inspiring, and I realized applicable to EVERYONE. For those seeking to inspire, would like to make a small difference in someone's life, how small actions and a reminder of the strength of positivity, not allowing yourself to be negative around anyone can lift up people to do amazing things. And the whole time you are perfecting yourself and more joyful to be around, happier as a person. The list wouldn't end. You will find many things that will stick out and make your day, your life a little better. You just have to start it and shortly after you won't want to put it down. I am a 29-year-old man who felt like I went on an emotional roller coaster, haha I DONT cry, But I found myself crying from a book! And smiling so hard! I am embarrassed sharing this :) 0 of 0 people found the following review helpful. Four Stars By DONALD W. PORTER Very good book, puts a personal emphasis on effective management.

THE NEW YORK TIMES BESTSELLER Great work lives inside all of us. The question is: Do we make the contributions we're capable of? Is our best work getting out there? Breaking through? Creating a difference the world loves? We've long been told our ability to succeed depends on our IQ, talent, education level, gender, job title, or when and where we were born. Great Work turns that conventional thinking on its head to reveal that innovation can come from anyone, anywhere. Especially you. With insights from the largest-ever study of award-winning work, Great Work reveals five practical skills that will help you ideate, innovate, and deliver work that gets noticed and appreciated. Great Work is filled with stories of real people in real jobs who did what was asked and then added something extra--a personal touch all their own--to deliver better-than-asked-for results. Their stories will inspire you to write your own page in the book of human progress. PRAISE FOR GREAT WORK "Great Work has me believing anyone can deliver a difference. I predict that 'making a difference people love' will embed itself in our lexicon for decades to come. -- STEPHEN M. R. COVEY, AUTHOR OF THE BESTSELLER THE SPEED OF TRUST "I recommend it to everyone, from every background, who has dreams of accomplishing great work." -- BARBARA CORCORAN, REAL ESTATE MOGUL, "SHARK" ON ABC'S SHARK TANK "We all know difference makers who, in small ways, make a profound impact on how we work and live. This book helps us celebrate them." -- TOM POST, MANAGING EDITOR, FORBES MEDIA "Great Work is a great work. It educates, inspires, and offers specific tools any employee or leader can use." -- DAVE ULRICH, PROFESSOR, ROSS SCHOOL OF BUSINESS, UNIVERSITY OF MICHIGAN; PARTNER, THE RBL GROUP "It takes passion, risk, and foresight to think beyond the status quo and see problems as opportunities. This book is inspiration for doing exactly that." -- KARIM RASHID, INTERNATIONALLY RENOWNED DESIGNER "Outstanding! A must read. Great Work will give you a whole new toolkit for success." -- LARRY KING, LEGENDARY INTERNATIONAL RADIO AND TELEVISION BROADCASTER

About the Author David Sturt is a New York Times bestselling author and an Executive Vice President of the O.C. Tanner Company. His career began in market research, where he analyzed the impact of recognition on people and their work. In the two decades since, he has developed products and services that engage employees, inspire contribution, and reward outstanding results in organizations around the world. He regularly consults with Fortune 1000 leaders and speaks to audiences worldwide. He has been interviewed by the Wall Street Journal, MSNBC, Human Capital, and is a contributor to Forbes.com. O.C. TANNER INSTITUTE The mission of the O.C. Tanner Institute is to research and share insights that help organizations inspire and appreciate great work. The institute provides a global forum for exchanging ideas about recognition, engagement, leadership, culture, human values, and sound business principles.
