From Palgrave Macmillan : Handbook of Doing Business in South East Europe before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handbook of Doing Business in South East Europe:

A comprehensive insight into a region which is characterized by rapid economic and social changes with a significant rise in foreign direct investments and privatization. Analysis covers political, legal, economic and social trends, and topics such as the influence of informal networks and corruption, as well as cultural diversity.

About the Author
DIETMAR STERNAD is Lecturer for International Management at Carinthia University of Applied Sciences in Villach, Austria. In his managerial career, he was the Managing Director and Publisher of a leading Austrian and Croatian book publishing group and the CEO of a media company based in Ljubljana, Slovenia, where he founded the country's highest-circulation daily newspaper and leading newspaper portal.
THOMAS DOUMLING is Professor for Economics and Director of the Research Centre for Interregional Studies and International Management (ISMA) at Carinthia University of Applied Sciences in Villach, Austria. He conducts research in the areas of public finance, urban and regional economics as well as environmental economics, and has authored more than 170 scientific books and articles.
