Gautam H Parikh : Handbook of Indian Securities before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of Indian Securities:

Gautam H. Parikh combines law, economics and finance in a rich, fact-driven analysis of Indian securities. Written with clarity, and an integrated and holistic approach, this book is essential reading for business professionals in finance, investments and emerging markets. It also provides an insight into how Indian securities are unique,

especially in the context of India's legal framework. Handbook of Indian Securities is a highly readable, useful and practical guide for portfolio managers, investment researchers, corporate CFOs, treasury managers, security analysts, chartered accountants, management consultants and investment bankers. It is also ideal for MBA and CFA students as well as students of financial and securities law.

About the AuthorGautam Parikh (Gary) was born in India, and educated in the USA and England. He graduated from the University of Chicago, earned his MBA at the London Business School and read law at the London School of Economics. His professional career began in London as an Associate at Schroders, where he worked in international finance and advisory. Later, he joined a private equity firm in the US as an advisor to a former European prime minister. The author lives in Mumbai with his family.
