From Palgrave Macmillan : Have Japanese Firms Changed?: The Lost Decade (Palgrave Macmillan Asian Business Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Have Japanese Firms Changed?: The Lost Decade (Palgrave Macmillan Asian Business Series):

If we ask simply whether Japanese business has changed, our answer must be an unequivocal yes and this is answered with a primary focus on technology, the traditional source of Japan's strong competitiveness. But if we ask whether Japanese firms have also changed in any substantive ways we must accept a less sanguine conclusion.

About the Author TATEO ARIMOTO Director-General of the Research Institute of Science and Technology for Society (RISTEX) and Deputy Director-General of the Centre for RD Strategy in the Japan Science and Technology Agency (JST) CLAIR BROWN Professor of Economics and Director of the Centre for Work, Technology and Society, IRLE at UC Berkeley, USA EMILY W.
