Harvard Business Review, Harvard Business Review, Peter F. Drucker, Clayton M. Christensen, Daniel Goleman, Michael E. Porter : HBR's 10 Must Reads Boxed Set (6 Books) (HBR's 10 Must Reads) before purchasing it in order to gauge whether or not it would be worth my time, and all praised HBR's 10 Must Reads Boxed Set (6 Books) (HBR's 10 Must Reads):

0 of 0 people found the following review helpful. A brilliant reintroduction to the various aspects of strategy! By Gordon XI read this book as part of my exploration of the HBR "10 Must Reads" series. In typical HBR style, this book contains an eclectic collection of articles which come together to provide one of the most comprehensive tomes I've seen on business and personal strategy. I recommend it to anyone who is trying to understand the core concepts of strategy, especially those who need to identify and separate various tactical actions and operational principles from the underlying strategic principles. I found these insights from some of the world's brightest minds to be just what I needed to properly set me on the path to become a much more strategic leader. 5 of 5 people found the following review helpful. HR knowledge that everyone can use By Rosie O'Storrs I have worked in the HR field for over 7 years and I still found these books very helpful. They are written for the layperson in easily understandable language. The topics range from difficult employees, personal growth in the work place and the heart stopping change management. All of these topics I deal with on a weekly basis in a university setting. If you are looking for light reading that is

packed with useful information I would recommend this set. 7 of 8 people found the following review helpful. There is simply few books more worthwhile than this. By Robert Kirk This collection of HBR's finest articles is second to none. A great investment for any student or professional who has a life long desire to learn from the best. I've been a reader of HBR since I started my MBA and I feel this collection will be referenced throughout my career. In summary, only HBR's best work makes the pages and this reference set will help you immensely throughout your life.

You want the most important ideas on management all in one place. Now you can have them in a set of HBR's 10 Must Reads. We've combed through hundreds of Harvard Business Review articles on strategy, change leadership, managing people, and managing yourself and selected the most important ones to help you maximize your performance. This six-title collection includes only the most critical articles from the world's top management experts, curated from Harvard Business Review's rich archives. We've done the work of selecting them so you won't have to. These books are packed with enduring advice from the best minds in business such as: Michael Porter, Clayton Christensen, Peter Drucker, John Kotter, Daniel Goleman, Jim Collins, Ted Levitt, Gary Hamel, W. Chan Kim, Renee Mauborgne and much more. The HBR's 10 Must Reads Boxed Set includes:

- HBR's 10 Must Reads: The Essentials** This book brings together the best thinking from management's most influential experts. Once you've read these definitive articles, you can delve into each core topic the series explores: managing yourself, managing people, leadership, strategy, and change management.
- HBR's 10 Must Reads on Managing Yourself** The path to your professional success starts with a critical look in the mirror. Here's how to stay engaged throughout your 50-year work life, tap into your deepest values, solicit candid feedback, replenish your physical and mental energy, and rebound from tough times. This book includes the bonus article "How Will You Measure Your Life?" by Clayton M. Christensen.
- HBR's 10 Must Reads on Managing People** Managing your employees is fraught with challenges, even if you're a seasoned pro. Boost their performance by tailoring your management styles to their temperaments, motivating with responsibility rather than money, and fostering trust through solicited input. This book includes the bonus article "Leadership That Gets Results," by Daniel Goleman.
- HBR's 10 Must Reads on Leadership** Are you an extraordinary leader or just a good manager? Learn how to motivate others to excel, build your team's confidence, set direction, encourage smart risk-taking, credit others for your success, and draw strength from adversity. This book includes the bonus article "What Makes an Effective Executive," by Peter F. Drucker.
- HBR's 10 Must Reads on Strategy** Is your company spending too much time on strategy development, with too little to show for it? Discover what it takes to distinguish your company from rivals, clarify what it will (and won't) do, create blue oceans of uncontested market space, and make your priorities explicit so employees can realize your vision. This book includes the bonus article "What Is Strategy?" by Michael E. Porter.
- HBR's 10 Must Reads on Change Management** Most companies' change initiatives fail; but yours can beat the odds. Learn how to overcome addiction to the status quo, establish a sense of urgency, mobilize commitment and resources, silence naysayers, minimize the pain of change, and motivate change even when business is good. This book includes the bonus article "Leading Change," by John P. Kotter.
