The text is a touch dry for my taste, but that's probably just my non-expertise in the subject matter. Overall, the text is very informative and probably best for anyone who has a need to study/review/otherwise think about how business owners and managers "make smart decisions."0 of 0 people found the following review helpful. DisappointingBy K NewtonNot for entry level management.0 of 0 people found the following review helpful. Five StarsBy Jean NtayombaA comprehensive guide to making decisions, a must read for managers, leaders and business people
