**Yongnian Zheng, Chiew Ping Yew : Hong Kong Under Chinese Rule:Economic Integration and Political Gridlock** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hong Kong Under Chinese Rule:Economic Integration and Political Gridlock:

This edited volume is a compilation of the analyses written by East Asian Institute experts on Hong Kong since the

handover. It covers most, if not all the important events that have taken place in Hong Kong since 1997, including its economic integration and relations with China, its governance conundrums, the Hong Kong identity and nation-building, the implementation of the minimum wage, and the elections from 2011 to 2012. The book's panoramic view of Hong Kong makes it a useful resource for readers who seek a broad understanding of the city and how it has evolved after its return to China. It also offers some glimpses into the direction Hong Kong is heading in its socio-economic relations with China at both the state and society levels, as well as its domestic political developments and the prospects for democratization.

Contents: Integration and Interdependence: After Smooth Handover, Now the Hard Part (WANG Gungwu and John WONG) CEPA: A Gift from Beijing? (John WONG) Hong Kong's CEPA with Mainland China (ZHANG Yang and John WONG) Economic Recovery: A Bumpy Road Ahead (ZHANG Yang and Sarah Y TONG) Broadening Its Economic Linkages with Guangdong (YU Hong) Governance Crises and Social Discontent: Ending the Governance Crisis?
