Delroy Constantine-Simms : How To Ace That Job Interview before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Ace That Job Interview:

Sooner or later, everyone must face the daunting task of interviewing for a job. Whether it's for just a job to keep your bills paid, or if it's the dream job you've always wanted, there are many things that you have to remember before you can get that job that you so desire. Most people assume that the most important part of a job interview is showing up well groomed, but there is more to it than that. Everything that you could ever want may be riding on your behaviour at a job interview. The smallest thing can mean the difference between your having a new job, or you're still pounding the pavement trying to score a new interview. It is common knowledge that it is generally the smallest detail that causes people to fail a job interview. The fact that you can score an interview at all shows that you already have the
