**John Lees : How To Get A Job You Love 2015-2016 Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How To Get A Job You Love 2015-2016 Edition:

5 of 8 people found the following review helpful. Read, reflect and act...now  
By Ajaz Hussain, International Career Counsellor  
Having changed career three times, I was introduced to this book by an outplacement consultant. I was an IT specialist then, working with the world's largest IT services company. As Careers Education Manager now, I have enjoyed learning and applying many of the tools and techniques in the successive editions as well as passing them on to countless career changers and more recently students and graduates. This edition will offer you the

comfort, assurance and much needed guidance from a trusted friend in these confusing times that you too can find, get or keephellip;a job you love.

How to Get a Job You Love, the UK's definitive careers guidebook, has undergone its biggest update in over a decade. This revamped and substantially updated edition reflects the latest changes in the rapidly evolving UK job market.

About the AuthorJohn Lees is a career transition coach and a renowned expert on working lives. John Lees Associates specialises in helping people make difficult career decisions - difficult either because they don't know what to do next, or because there are barriers in the way of success. John is the author of a wide range of career books including Job Interviews and Knockout CV. He has written careers columns for Metro and People Management and thought leadership pieces for The Times and The Guardian.
