4 of 5 people found the following review helpful. Very unique - truly helpfulBy Prentice SellersA very thorough guide to applying to business school. It provides excellent information about the internal workings of the admissions process as well as thought-provoking guidance to help you through the essay writing process. It also provides good insight on the types of things to consider when choosing the business schools you want to apply to.1 of 25 people found the

following review helpful. complete guide to the true northBy A CustomerThe best part, I think, is the essay chapters. It tells you what do the admission officers really want to know in each type of essay questions. For example, the ethic question is different than legal issues. Anything illegal is clearly not a good topic to write in ethic essays.

Focuses on recognizing that the "best" business school varies for each applicant. It provides behind-the-scenes details on the major business schools, highlights strategies for standing out from the competition, and offers insight on trends affecting admissions.
