The Partnership for Public Service : The Complete Idiot's Guide to Getting Government Jobs before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Getting Government Jobs:

0 of 0 people found the following review helpful. Good source of infoBy CustomerSurprisingly still a pretty helpful book. The list of agencies in the back us especially useful.8 of 10 people found the following review helpful. Very InformationalBy cbaker09The book is full of up-to-date information regarding the entire process to getting a government job. It goes into detail about grading scale, different departments and the type of resume they are looking for. This is a good resource for anyone looking to break into the government work force.0 of 3 people found the following review helpful. JOBSBy DEANIEI like it! I don't have 13 words to say I don't see why its mandatory to have a lot to say about MY purchases ~ either I like it or don't like it ~ why do I have to write a book? why don't you simply put a brief description in the headliner or summary ~ you should be trying to make it easier for clients to want to leave feedback ~ this is to much work!

Bail yourself out with employment opportunities. In these turbulent times when private corporations are in trouble, the employer that seems to be offering the most stable employment opportunities is the public sector. With *The Complete Idiot's Guide to Getting Government Jobs*, readers will learn how to navigate the government application process to find stable employment opportunities available from county municipalities as well as state and federal agencies. Includes advice on drafting resumes suited to the specific requirements of the hiring agency. How to complete the appropriate application most effectively? Methods of marketing an applicant's skills in the government sector? Search tools for government job websites
