Marc Dorio : The Complete Idiot's Guide to the Perfect Job Interview, 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to the Perfect Job Interview, 3rd Edition:

7 of 8 people found the following review helpful. Interview Confidently By R.A. Ford "The Complete Idiot's Guide to The Perfect Job Interview" delivers exactly what the title promises: how to prepare to interview successfully. Teaches you: * NOT to prepare for an interview; but rather learn "to present yourself as what every employer, everywhere and always, desperately wants and needs." * HOW to identify "your highest-level portable skills." * WHAT pre-interview research you must do! It dovetails interviewing (yes, it talks about nerves) with your entire job search strategy. PLUS, it teaches you everything you need to know to "Take charge of the interview." QUESTIONS: What to expect. How to handle the unexpected. What YOU should ask. This book covers everything, from long before you request the interview, through waiting to get to your interview, right into the interview itself, and what you MUST do after the interview! This book will improve your life. Not only will it help you with job interviews, but it teaches skills that are

useful every time you want to persuade and communicate with other people. Roger 0 of 0 people found the following review helpful. In all seriousness, this is a good guide. By Customer: Simply put, there are great tips for interviewing that will put your mind at ease in this book. I'm an idiot and I thought this book was a great guide for me! Thanks complete idiot's guide to the perfect job interview, 3rd Edition. 0 of 0 people found the following review helpful. Daughter Lands Job! By Robert W. Myers: My daughter was having difficulty interviewing and upon completing her study of this guide followed by practice she landed her dream job! This father fully endorses this text!

How to ace an interview in today's competitive job market. Career human resources expert Marc Dorio knows how the system works and how it has changed with the advent of Internet interviews, video conferences, and electronic resumes. In this new edition, he teaches job seekers how to respond to obscure, difficult questions; research salary ranges and negotiate; pull together a resume; package; present their skill set and experience to best effect; follow up after the usual 'thank you' note; and dozens of other inside tips. - From a human resources expert - Strong sales record for past editions - Most current information available - Specific details about each step in the process - Also available as an e-book

About the Author: Marc Dorio is a human resources management professional with more than 18 years of corporate and consulting experience. He has worked with Fortune 100 and Fortune 500 corporations and knows exactly how to help you land the job you want!
