Kenneth Trester : The Complete Option Player before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Option Player:

2 of 2 people found the following review helpful. kindle version is robberyBy Ravikindle version.. is robbery.Author refers to many figures and charts in explanation but none is shown in the book.what is the point of buying the kindle version... . its simply like selling the book with many pages torn apart.I wish for money back.1 of 1 people found the following review helpful. book a bit offBy J Geethis book more about accepting options from an employer than buying and selling in the option market. rather misleading title0 of 0 people found the following review helpful. Five StarsBy Richard R HutchinsonKen can show you the right way to do it !!!

The Complete Option Player is one of the best selling options books ever. This newly updated classic will show you how to play the options game where profits of 100% or more are not unusual and where you can earn profits of 100% to 300% on any one trading day. This comprehensive book makes options easy with its witty easy-to-read style. It includes more than 20 illustrations and cartoons to ease your understanding of options trading. Discover secrets like: "How you can buy winning options for less than \$100!" How you can design options strategies that win, regardless of what the market does; "How you can avoid the risks of owning common stock, but receive most of the same benefits."

About the Author Kenneth R. Trester is recognized as a leading international options advisor. He is a popular speaker at financial conventions and options trading seminars, and has even given seminars in Russia.
