Elizabeth Haas Edersheim : The Definitive Drucker: Challenges For Tomorrow's Executives -- Final Advice From the Father of Modern Management (Business Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Definitive Drucker: Challenges For Tomorrow's Executives -- Final

Advice From the Father of Modern Management (Business Books):

Final advice from the great Peter Drucker for driving growth and profitability in the 21st Century—;with a new foreword from the author "We need a new theory of management. The assumptions built into business today are not accurate." - Peter Drucker Based on multiple interviews and working sessions with Peter Drucker during the last year of his life, *The Definitive Drucker* reveals the management luminary's most important concepts and applies them to real-life business risks and opportunities. The book sheds light on the most pressing management issues, such as the role of the CEO, why so many leaders fail, and the fragility and interdependencies of our economic and social systems, and it imparts Drucker's views on current business practices, technological, economic, and social changes, and trends—;many of which Drucker predicted decades ago. A celebration of this extraordinary man's life and work, *The Definitive Drucker* offers a unique opportunity to use Drucker's final business lessons to strategize, create, and succeed in any market.
