Arthur J. Wolak : The Development of Managerial Culture: A Comparative Study of Australia and Canada before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Development of Managerial Culture: A Comparative Study of Australia and Canada:

0 of 0 people found the following review helpful. FantasticBy tangoFantastic book. Having worked in both Australia and Canada, this book provided insights that I use in my day to day business interactions. Dr Wolak astutely

summarizes the differences and similarities of both cultures, and provides an easy-to-understand explanation as to why such differences exist. The principles are applicable to daily life and make my working life smoother.

The Development of Managerial Culture examines the differences in underlying values and cultural distinctions in managerial cultures in Australia and Canada. It offers commentary on differences in attitudes to managerial culture and industrial relations through a comparison of national character development to provide context and insight for readers
