**Brigette Tasha Hyacinth : The Edge of Leadership: A Leader's Handbook for Success** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Edge of Leadership: A Leader's Handbook for Success:

4 of 4 people found the following review helpful. Just Like Her Book - Brigette Delivers!By CustomerI LOVE Brigettes' Book - " The Edge Of Leadership " ! As in All of Brigette's Writings - This Book Truly Delivers! The Book is Extremely Informative and Overwhelmingly Powerful! Brigette does Not speak down to Us Leaders but Instead She Looks Us Straight In The Eye and Tells Us what We Must do To Constantly and Consistently Improve and Become

The Very Best Of The Very Best! Brigitte Always Speaks To Us With the Goal of Making Us Great! She Does Not Believe in Mediocre Anything and Her Life Is an Example of That! Just Like Brigitte - This Book Really Delivers! "The Edge Of Leadership " is a Must Read for Those that Are Leaders and Also To Those that Want To Become Leaders! As Leaders , We all Share a Common Ground We want to Excel and Become the Best of the Best out there! A Great Leader Though is One that Can Take His Or Her Followers and Help Them Become " EXPLOSIVE LEADERS " Themselves! Brigitte Is That Person :):):):):)6 of 6 people found the following review helpful. Everything Brigitte writes is golden, but with this book ...By SocialSellingGalEverything Brigitte writes is golden, but with this book she has outdone herself. This is a powerful resource for anyone in a leadership role. But even if your not, there are life lessons that can be drawn from every practical tool.5 of 5 people found the following review helpful. Truly a Leader's Handbook for SuccessBy Kester GabrielThe book is well written. The book itself is a comfortable size, the graphic art and pictures are bright and clear, the font is the right size and the layout of the paragraphs and chapters are quite inviting. The content is original and top class; the language is an easy read; the leadership models are crisp and provoke introspection. I think it is truly a leader's handbook for success. I believe Brigitte has taken her first steps to being a best selling author and I look forward to her next book.

The Edge of Leadership is a superb manual that aims at contributing to the development of human and institutional capacity through holistic or sustainable leadership; Leadership which is for the benefit of the leader, followers and society. It's a guidebook that could set the world with regards to business leadership and human interface, on the same plain. It fills a certain void in the leadership application processes, by combining basic principles and methodologies of leadership with Life Lessons. These life lessons help to address many of the leadership problems we see today. Many leaders do not "fail" because of skill, experience or intelligence but due to lack of wisdom. This book is a powerful resource which offers fresh concepts, insights and inspiration that can definitely revolutionize the face of leadership. nbsp; Letsquo;s get this valuable tool in the right hands - Your hands!

The Edge of Leadership: A Leader's Handbook for Success contains 32 Chapters which is divided into 6 sections: Part One: Debates and Theories Part Two: Inspiration Part Three: Followership Part Four: Leadership Lessons and Life Lessons Part Five: Personal Development Part Six: Leadership PracticalitiesAbout the AuthorBrigitte Hyacinth is the #1 Leadership and Management Expert in the Caribbean.
