the following review helpful. A very good bookBy Paul L. FletcherI knew nothing about precious metals when I bought this book. The world of precious is still complex, but, I now know more than I did. I recommend this book without reservation.1 of 1 people found the following review helpful. Must readBy Aviator123Awesome book! Great detail and illustrations. I am so happy that I bought this valuable resource.

Gold. Silver. Platinum. Palladium. Want more than a piece of paper with a stock number on it to show for your investment? Then learn about all the ways you can add precious metals to your portfolio. Gold and silver have been king and queen of metals for centuries. Today, they are joined by platinum and palladium in the precious metals arena. They are traded in the form of bars, rounds and ingots, tangible assets you can see and touch.
