Brent Davies : The Essentials of School Leadership before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essentials of School Leadership:

0 of 0 people found the following review helpful. Four StarsBy Derek HermanA very comprehensive look at the current Educational Leadership theories.0 of 0 people found the following review helpful. Excellent!By NaomiI love it! Very helpful for my doctorate studies! The author really presents the essence of a real leadership in this world.

Building on the success of the first edition, this book provides a focused up-to-date introduction to the current themes and dimensions of educational leadership through contributions from some of the leading authors in the field.Each chapter introduces the reader to a key aspect of leadership. This new edition has been fully updated to include recent

developments, new chapter summaries and further reading, and a new chapter on Developing Leadership. Written in an accessible style, this book is essential reading for school leaders who wish to have a better understanding of their leadership role. It is also suitable for Masters/Doctoral students worldwide, and will give those on professional development courses a valuable insight into school leadership.

At the very time when leadership is recognized as the key to sustainable reform, [this book] is right on the mark. This is a comprehensive, powerful treatment of all core elements of new leadership from the ethical to the political, from the emotional to the entrepreneurial. A must-have compendium for those grappling with the present and future of school leadership' "Michael Fullan, Professor Emeritus, OISE/University of Toronto; and Special Adviser on Education to the Premier of Ontario " The jewels in the book are the opening and closing chapters by Brent and Barbara Davies on "strategic" leadership, and by Andy Hargreaves on "sustainability" leadership. The book is worth buying for those alone, and for Geoff Southworth's reflective, practical piece on "learning-centred" leadership. This is one for the staffroom library' "Tim Brighouse recently Chief Adviser for London Schools and formerly Chief Education Officer for Birmingham" This is an excellent collection of writers and their ideas...It is difficult to think where else such a resource would be available under one cover. An inspiring and valuable book that all school leaders should read' - School Leadership and Management 'Brent Davies continues to do the fraternity of current and aspiring educational leaders around the world a great favour by bringing together some of the great thinkers within educational leadership, all in this one volume. This book is highly recommended' - Principal Matters '[T]his revised edition is a comprehensive overview of trends and issues shaping concepts and practices in school leadership...It is recommended reading for any aspiring school leader, and a useful reference for the more experienced' - Headteacher Update At the very time when leadership is recognized as the key to sustainable reform, [this book] is right on the mark. This is a comprehensive, powerful treatment of all core elements of new leadership from the ethical to the political, from the emotional to the entrepreneurial. This is one for the staffroom library prime; Tim Brighouse recently Chief Adviser for London Schools and formerly Chief Education Officer for Birmingham About the Author Dr Brent Davies is Professor of International Leadership Development at the University of Hull . He is also a Professorial Fellow at the University of Melbourne, Visiting Professor at the Institute of Education (University of London), Special Professor at the University of Nottingham and a Faculty Member of the Centre on Educational Governance at the University of Southern California. He is an Associate Director of the Specialist Schools and Academies Trust. nbsp; Brent spent the first ten years of his career working as a teacher in South London. He then moved into higher education and now works exclusively on leadership and management development programmes for senior and middle managers in schools. He was Director of the International MBA in School Leadership at Leeds Metropolitan University. He then took up a post at the University of Lincolnshire and Humberside to establish the first Chair in Educational Leadership and create the International Educational Leadership Centre in Lincoln. He moved to the University of Hull in 2000 to establish the International Leadership Centre. In 2004 he transferred within the University to become a research professor in leadership development at the Hull University Business School.
