Murray N. Rothbard : The Ethics of Liberty before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ethics of Liberty:

3 of 4 people found the following review helpful. Rothbard FTWBy JasonI have debated hundreds of liberals from Stanford and Berkley economist, to top lawyers using Rothbard logic and I have completely obliterate them. In fact I no longer believe in competent liberals"Socialist".0 of 0 people found the following review helpful. Five StarsBy R. Lanninga0 of 0 people found the following review helpful. Five StarsBy KevinGreat Book!

In recent years, libertarian impulses have increasingly influenced national and economic debates, from welfare reform to efforts to curtail affirmative action. Murray N. Rothbard's classic *The Ethics of Liberty* stands as one of the most rigorous and philosophically sophisticated expositions of the libertarian political position. What distinguishes Rothbard's book is the manner in which it roots the case for freedom in the concept of natural rights and applies it to a host of practical problems. An economist by profession, Rothbard here proves himself equally at home with philosophy. And while his conclusions are radical—that a social order that strictly adheres to the rights of private property must exclude the institutionalized violence inherent in the state; his applications of libertarian principles prove surprisingly practical for a host of social dilemmas, solutions to which have eluded alternative traditions. *The Ethics of Liberty* authoritatively established the anarcho-capitalist economic system as the most viable and the only principled option for a social order based on freedom. This edition is newly indexed and includes a new introduction that takes special note of the Robert Nozick-Rothbard controversies.

"This penetrating and thoughtful work confronts the challenges, conflicts, and opportunities in the fragile coalitions that compose the welfare rights movement today. Written with fidelity to the cause and an empirical eye, Ernst demonstrates how the false construction of a 'post-racial' America warps the discourse and activities of welfare rights organizers. A passionately written text that brings these women and this movement to life, *The Price of Progressive Politics* analyzes the welfare rights movement from within and without using the intersectional lens of race, ethnicity, and class. This timely, fascinating, and intricate book moves forward our understanding of colorblindness and intersectionality."—Andrea Y. Simpson, author of *"The Tie That Binds: Identity and Political Attitudes in the Post-Civil Rights Generation"*

"In this important and courageous book, Rose Ernst shows how the discourse of colorblindness limits the progressive possibilities of the welfare rights movement. One must know the monster one is fighting if one wishes to slay it 'for real.' Otherwise, as Ernst's data demonstrates, one ends up feeding the monster. Bravo for a job well done!"—Eduardo Bonilla-Silva, author of *"Racism without Racists: Color-Blind Racism and the Persistence of Racial Inequality in America"*

"Ernst has provided an amazing window into contemporary welfare organizing and the challenges faced in a political context that urges unitary rather than intersectional frames of social justice. Without a doubt she has provided an important book relevant to scholars and welfare organizers alike."—Ange-Marie Hancock, author of *"The Politics of Disgust and the Public Identity of the 'Welfare Queen'"*

"Rose Ernst's book is well-written, with a nuanced theoretical frame that grows out of the relevant literature; it provides an important empirical contribution based poignantly on the voices of the women activists themselves."—Sanford Schram, author of *"Welfare Discipline: Discourse, Governance and Globalization"*

—D. R. Imig, "Choice Magazine"

About the Author
Hans-Hermann Hoppe received his Ph.D. and his "Habilitation" from the Johann Wolfgang Goethe-University in Frankfurt am Main, Germany. He is currently professor of economics at the University of Nevada Las Vegas, senior fellow of the Ludwig von Mises Institute, Auburn, AL, and editor of the *Journal of Libertarian Studies: An Interdisciplinary Quarterly*.
