From Springer : The European Union and the BRICS: Complex Relations in the Era of Global Governance before purchasing it in order to gauge whether or not it would be worth my time, and all praised The European Union and the BRICS: Complex Relations in the Era of Global Governance:

This book explores the relations between the EU and the BRICS in the areas of politics, economic development, trade

and security. The contributions cover topics such as the position of the EU and BRICS in the global order and the EU as a "normative power," as well as the evolution, characteristics and institutionalization of BRICS and the roles of its member countries Brazil, Russia, India, China, South Africa. The book will appeal to researchers and scholars interested in the rise of BRICS and the resulting challenges and opportunities for the European Union and Global Governance. nbsp; nbsp; nbsp;nbsp; nbsp; nbsp;
