Ali M. El-Agraa : The European Union before purchasing it in order to gauge whether or not it would be worth my time, and all praised The European Union:

0 of 0 people found the following review helpful. Five Stars By Customer I was very pleased with the book. I received the book in record time. Thank you very much. 0 of 0 people found the following review helpful. Very dense, dry, and technical. Makes a ... By Nash Jones Very dense, dry, and technical. Makes a lot of assumptions about background knowledge of economics. Major flaw is that it is very hard to comprehend what you are learning at times.

The European Union has established itself as a leading text that provides readers from all disciplines with a sound understanding of the economics and policies of the EU. Its wealth of information, detail and analysis has ensured that previous editions have been read by a generation of students, researchers and policy makers. It covers all major EU policy areas as well as theories of economic integration, the theory of economic and monetary union (EMU), the measurement of the economic effects of European integration and the legal dimension in EU integration. It also

includes an explanation and analysis of all recent developments affecting the EU such as enlargement, the ratification of the Nice Treaty and the Convention for the Future of Europe. This edition has been thoroughly revised and updated and includes new resources to help students and teachers, including summaries, review questions, suggestions for essay titles and further reading lists.

'A best-selling text.' The Times Higher Education Supplement
About the Author Ali M. El-Agraa is Professor of International Economics at Fukuoka University, Japan. He has extensive teaching experience at universities in the UK and North America.
